

2008 Service International Trip Dates & Descriptions

Kosovo Dental Missions: Spring and Fall

April 11 - 20 & September 26 - October 5 • Ages 18 & Up • Cost for each trip: \$2,060

Since 2001, SI has worked consistently in Kosovo to improve the inadequate dental care found throughout the nation. In the region of Gjakova, Kosovo, SI has taken the responsibility of caring for the large population of widows and orphans resulting from the war in 1999. SI is looking for skilled dental professionals to volunteer at the SI Dental Clinic in Gjakova. Lay volunteers (i.e., without dental training) are welcomed to join the team as well. There are great opportunities for outreach and assistance for everyone.

Kosovo Medical Missions: Spring, Summer and Fall

April 25 - May 4, July 11 - 20 & October 17- 26 • Ages 18 & Up • Cost for each trip: \$2,360

Since 2000, SI has sponsored the Kosovo Medical Missions to help support the health of the widows and their families in the area of Gjakova. Free medical care is given at SI's base of operations in Gjakova and at temporary Field Clinics in various villages. In the interest of improving our service and better follow up health care, SI will sponsor three medical missions to Kosovo this year. Just as volunteers for the dental missions, medical professionals in all areas of study and skill are needed. Also there are many ways lay volunteers can work along side the professionals and minister to the Kosovar patients.

Kosovo JUMP

June 29 - July 6th • Ages 16 & Up • Cost: \$2,460

This high impact outreach is designed to reach children and teenagers. SI is anticipating over 1,400 attendees each day. In addition, SI will be hosting the 4th Annual J. Clyde Perry Memorial Soccer Tournament. Approximately 80 teams from villages near and far will participate in the tournament. Both of these events happen simultaneously on the grounds of the Hereq Elementary School. The school was completed by SI volunteers and the Hereq villagers in 2005. *Please note: Ages 15 & under are welcome, but must be accompanied by an adult.*

Liverpool JUMP

July 4 - 10 • Ages 16 & Up • Cost: \$2,350

This outreach is designed to strengthen the local church in Liverpool and reach the school aged children by presenting JUMP in various area public schools. Pastor Di Stacy of Grace Family Church in Liverpool will be working with Service International to bring a life giving message through song, dance and dramatic vignettes to children at assemblies during their school day. Also, the church is planning a 60th birthday celebration for Pastor Di while the SI JUMP team is visiting.

South Africa

June 22 - July 1st • Ages 16 & Up • Cost: \$3,900

SI desires to impact the nation of South Africa in long term ways. The scheduled outreach will help build the platform to do just that. For this mission, food distribution and spreading the gospel in various villages will be the primary focus. The project will strengthen the local church and people in desperate situations. More missions are projected in South Africa as we go forward.
